Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 249A to Hennessey, Oklahoma as that community's first local FM service. Hennessey, Oklahoma is an incorporated community with a population of 2,052 people. Hennessey has its own mayor, city offices, post office, fire department, police department, library, school district and a number of local churches. Hennessey is a community that is certainly deserving of a first local FM service. The proposed channel 249A will provide additional diversity and an outlet for local self-expression to Hennessey residents and

therefore is in the public interest.

Should this petition be granted and Channel 249A is allotted to Hennessey, Oklahoma, Petitioner will apply for Channel 249A at Hennessey and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford
